### SUMMARY OF BILL

This bill would provide that every state or local agency that is required by law to prepare and submit a report to the Legislature may place the report on the Internet and notify the Legislative Counsel, the Secretary of the Senate, and the Chief Clerk of the Assembly by electronic mail, of the report's availability via the Internet.

### SUMMARY OF AMENDMENT

The June 24, 1998, amendment provided that a state or local agency that is required to prepare and submit a report to the Legislature may make that report available on the Internet or shall submit the report to the Legislature in hard copy form. This amendment resolves the implementation concern in the department's analysis of the bill as amended April 27, 1998, since the department would not be required to place confidential reports on the Internet.

Except for the discussion in this analysis, the department's analysis of SB 2119 as amended April 27, and May 7, 1998, still apply.
